Key Specification

Model Number	007511
Operating Frequency	0.3 - 6GHz
Coupling	10dB +/-0.5dB
Insertion Loss	< 1.2dB (Inc. coupling loss)
VSWR	<1.25:1
Directivity	>17dB
Power Handling	30W
Connectors	SMA Female

Environmental

Temperature Range	-40 to +85 Degrees C
-------------------	----------------------

Mechanical

Housing Material	Aluminium
Interface Control Drawing	007511-ICD
RoHS	Compliant
