Key Specification

Model Number	007513
Operating Frequency	2 – 4GHz
Coupling	10dB +/-1dB
Insertion Loss	< 0.7dB (Inc. coupling loss)
VSWR	<1.25:1
Directivity	>22dB
Power Handling	50W
Connectors	N Type Female

Environmental

Temperature Range	-40 to +85 Degrees C
-------------------	----------------------

Mechanical

Housing Material	Aluminium
Interface Control Drawing	007513-ICD
RoHS	Compliant
