Key Specification

Model Number	007518
Operating Frequency	12.4 – 18GHz
Coupling	10dB +/-1dB
Insertion Loss	< 1dB (Inc. coupling loss)
VSWR	<1.4:1
Directivity	>15dB
Power Handling	50W
Connectors	SMA Female

Environmental

Temperature Range	-40 to +85 Degrees C
-------------------	----------------------

Mechanical

Housing Material	Aluminium
Interface Control Drawing	007518-ICD
RoHS	Compliant
