Key Specification

Model Number	007510
Operating Frequency	6 – 40GHz
Coupling	6dB +/-1.5dB
Insertion Loss	< 2.8dB (Inc. coupling loss)
VSWR	<1.65:1
Directivity	>10dB
Power Handling	20W
Connectors	2.92mm Female

Environmental

Temperature Range	-40 to +85 Degrees C
-------------------	----------------------

Mechanical

Housing Material	Aluminium
Interface Control Drawing	007510-ICD
RoHS	Compliant
